Hi Chloe,

Yes, that works well – thank you for advising on how best to respond if it comes up in the meeting tomorrow.

Cheers,  
Sun

Sun, the DOI evaluation of the FS and eco risk assessment is under review by ERT (Rich Henry) and Region 2 and we will be providing conclusions and next steps to HQ in the next few weeks. Hopefully, that is enough of the status for you. Let me know if you need more. Thanks!

Hi Chloe,

I left a voicemail with you also, but Doug Ammon will be going to FFRRO's monthly meeting where DOI will be present, and in anticipation of them asking about Rolling Knolls, we just wanted to make sure that our response is appropriate and accurate. Would you be able to advise on what kind of update to share with them when they ask?

Thanks,
Sun
